**Join family, friends, neighbors, businesses, local clubs & organizations for Ronan's Annual Spring Clean Up Day!**

**Date: May 2nd**

**Location: Ronan City Park**

**Time: Starts at 9am**

**We need Team Leaders and lots of Volunteers**

**Certificates will be awarded to teams for  
The Most Improved Area  
The Most Trash Collected**

**We will provide:  
2 Large Dumpsters  
Trash Bags  
Rubber Gloves  
Coffee & Donuts  
And our  
Appreciation!**

**Please Come Prepared to Clean Up Ronan**

Meet at 9am at the City Park to pick up garbage bags and gloves.  
Grab a map of any area and start cleaning!

There will be 2 Construction size box dumpsters available for you to drop off items. One will be at the City Park near the Fire Hall and the other will be located by the City Park Restrooms.

There will be someone on hand at the above locations to provide recycling information as well.

Please note:

**No Kitchen Trash - No Large Appliances - No Tires  
No Hazardous Materials**

If you need assistance with some items please call Chuck Lewis at 270-5735 and he will make arrangements for your items to be picked up.

**For more information and to sign up please call 676-8300 or Just Show Up on May 2nd**

A pile of trash is not an attractive sight, but trash can do worse than spoil the natural beauty of a place. Pollutants leaching from trash can enter your drinking water. Garbage can also cause injuries, harm wildlife, and its removal can use tax dollars that could be put to other uses. These are all excellent reasons to volunteer at our Annual Cleanup Day. As a volunteer you will be able to enjoy the outdoors and be an active part of our community and help make it more beautiful.

Ronan's Cleanup Day's success is due in large part to the people and organizations who donate their time, equipment, and manpower.

The Ronan Area Chamber of Commerce would like to Thank Allied Waste for once again providing the dumpsters for collection as well as Chuck Lewis and Monte Jenkins for their assistance in the traveling trailer pickup of trash.
