

Mission Valley has a new all season riding club. The Mission Valley Riders is comprised of snowmobile, street bike, ATV/Side x Side and motocross riders.

Our mission is to get as many members as we can and just ride, plain and simple. Our goal for this year is to apply for several grants which will enable us to build designated trail riding areas.

Depending on the weather we will schedule our 09' cruiser kick off ride in April. Over the next few months we will have ATV and motocross rides.

Ronan Power Products is our home base so check out their website for ride information, deals for members only and special events!
